Battery Indicator

Built-in Microphone

Mute Button

Charging Slot

## Charging the CPW90

❶ Put the CPW90 on the charging cradle.

❷ Connect to the power source using a 1.8m Micro USB cable.

❷ 1.8m Micro USB Cable

During charging, the battery LED indicator on the CPW90 illuminates solid red. When the battery capacity reaches 100%, the battery LED indicator on the CPW90 will illuminate solid green.

When you charge the CPW90, the CPW90 will start up automatically. You can also long tap the mute button on the CPW90 for 3 seconds to turn on the CPW90.

Note: If it is the first time you use the CPW90, you need to fully charge the CPW90 for normal use.
If the CPW90 is not in use, we still recommend you to charge the CPW90 even when the battery is full.

## Rergistering CPW90 with the VC500

The CPW90 wireless microphones and DD10 USB dongle are automatically paired from the factory. To use the CPW90 wireless microphones, connect the DD10 USB dongle to one of the USB ports on the VC500 codec, then the CPW90 wireless microphones can work as audio input devices of VC500.

You may need to deregister or register the CPW90 wireless microphones manually if new CPW90 need to be registered with the VC500.

It is configurable via the web user interface of VC500 only.

**To log into the web user interface of VC500:**

1. On your computer, enter IP address of the VC500 into your web browser, and then press the Enter key.
2. Enter the administrator name and password.
   The default user name is "admin" (case-sensitive), and the default password is "0000".
3. Click **Login**.

**To deregister the CPW90 from the VC500:**

1. Log into the web user interface of VC500.
2. Click on **Setting->Wireless Micphone.**
3. Click **Deregistration**.
4. Click **Confirm**.

**To register the CPW90 with the VC500:**

1. Log into the web user interface of VC500.
2. Click on **Setting->Wireless Micphone**.
3. Click **Search Mic**.
4. Tap and hold the mute button on the CPW90 wireless microphones for 5 seconds until the mute indicator LED flashes yellow.
   The CPW90 wireless microphones and the dongle will be paired automatically.

## Finding the CPW90

1. Log into the web user interface of VC500.
2. Click on **Setting->Wireless Micphone**.
